

I couldn't believe my eyes

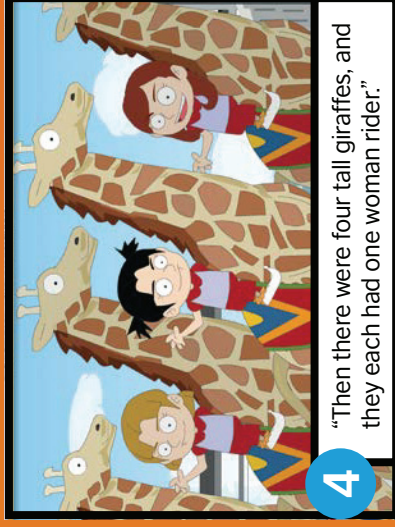

1 "Guess what I saw at 7 o'clock this morning when I was walking to school on Hassan Street!"
"I don't know. Tell me."

2 "I was halfway along the street when I saw a huge parade coming towards me. The Russian circus was coming to town."

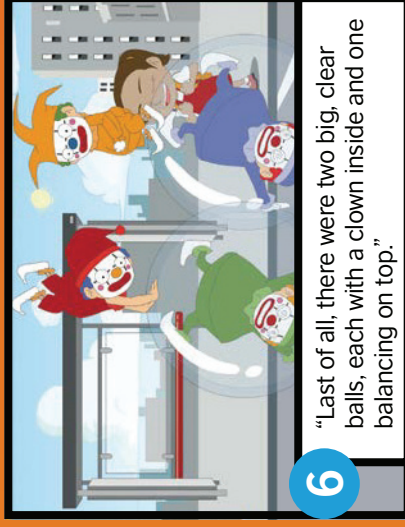

3 "First there were three white elephants, with two children riding on each of them."

4 "Then there were four tall giraffes, and they each had one woman rider."

5 "Then came the clowns. Two in a funny car and three were running behind it."

6 "Last of all, there were two big, clear balls, each with a clown inside and one balancing on top."

7 "So, Karim, how many people were there on Hassan Street going to school at 7 o'clock today?"

8 "Mmm. Hold on! I need time to think. You saw a lot of people."
Can you guess?

Answer:
The correct answer is one.
Only Hanan was going to school at 7 o'clock this morning.

I couldn't believe my eyes

1. Match them up!

Draw a line to match the picture and the words.

giraffes with
women riders

clowns in a
funny car

a white elephant
with children riding it

clowns with big,
clear balls

2. True or False?

Circle True or False for these sentences.

- a. Hanan was going to school at 7 o'clock. True False
- b. Hanan was at the end of the street when she saw the parade. True False
- c. The Chinese circus was coming to town. True False
- d. There were three white elephants with children riding them. True False
- e. There were four horses with women riders. True False
- f. There were three clowns in a funny car. True False
- g. Three lions were running behind the car. True False
- h. There was one clown inside each big, clear ball. True False
- i. Hanan saw 19 people going to school on Hassan Street. True False

3. Write and draw!

What do you see on your way to school every day? Write about it and draw a picture (it can be real or invented).
